

2009 Sauvignon Blanc Napa Valley

Our signature style Sauvignon Blanc preserves the vibrant flavors of the grape from the night it was harvested through the time a bottle is opened. This harvest yielded fruit forward tropical notes of banana, pineapple and accents of lemon-lime. Pear nectar nuances and hints of peach skin ensure a smooth, balanced finish.

2009 started as an ideal growing season but overall rainfall was still below average. Summer weather held mild and steady. October brought a pair of strong storms that dumped enough rain to worry growers. The white fruit, picked before the storms, had bright acid and great flavor concentration. In spite of October's surprise weather that required fast and furious picking of reds, all signs point to an excellent vintage.
